

Dear Parents

Along with the keys provided in the handout from the teachers, there will be a few other bits of information you will need to include when registering.

Use the link: <https://pa.neonet.org/district>

After clicking on the link, find the icon for Orchard Park Academy. I have attached a picture for your reference. The schools are listed alphabetically and Orchard Park is about halfway down the page. Clicking this icon will take you directly to the login/registration page.

Here's a link and directions to reference also.
